

Opportunities for People experiencing Disability

BE PREPARED

Timeframe

Applications to the Halberg Trust Activity Fund need to be made prior to an event taking place.

Funding applications cannot be retrospective.

THEREFORE

In situations where disabled people require funding assistance to participate in an event you will need to prepare plans, quotes and funding applications at least six to eight weeks prior to the event taking place.

If a funding application is approved but not utilised - no funds will exchange hands. Successful applications must be utilised within 6 months from approval date.

Some possible questions that can assist with planning the inclusion of a disabled person?

- Does the person have specific needs?
- Does the person require support for them to be able attend and participate in activities?
- Have you approached Disability Support Services for assistance and information?
